Unusual Enrollment History Flag C-code on ISIR and either comment code 276 or 277

School Name _____ Student Name _____

The Department has flagged this student's ISIR with a C-code because of an unusual enrollment history on the NSLDS website. The purpose of this C-code is for the school to verify that this student does not enroll in post-secondary institutions solely for the purpose of obtaining a credit balance from Title IV aid and then withdrawing without receiving academic credit.

This student has been flagged with comment code 276 277

Resolution required. The institution must review the student's enrollment and financial aid records to determine if, during any of the 2020–21, 2021–22, 2022–23, and 2023–24 award years, the student received a Pell Grant or a Direct Loan at the institution that is performing the review. If so, no additional action is required.

If not, using information from the National Student Loan Data System (NSLDS), the institution must identify all institutions where the student received a Pell Grant or Direct Loan for those award years and then must determine whether academic credit was earned at each of those institutions during the award year for which the student received a Pell Grant or Direct Loan. Based on those determinations, discussions with the student may be necessary. See Dear Colleague letter GEN-15-05 for additional information.
