

# VERIFICATION POLICY

Verification is a process which requires an institution to confirm the accuracy of certain information used to determine a student's eligibility for federal student assistance. A student's file may be selected for verification by either the school or by the U.S. Department of Education.

If a student's file has been selected for review under the verification process, depending upon the reason the file was selected, some or all of the following information may be requested from the student:

- A completed Verification Worksheet, signed by the student, spouse or parent when applicable.
- A copy of an IRS Tax Return Transcript from the U.S. Internal Revenue Service will be required unless the student (and parents where applicable) have properly used the IRS Data Retrieval Tool to import tax information into the student's FAFSA record. A Tax Return Transcript will serve to confirm the accuracy of income and other tax related amounts that the student reported on his/her FAFSA application if the IRS/DRT has not been used.

## Obtaining Tax Return Transcripts

Students can obtain tax return transcripts:

- Via the Internet at [www.irs.gov](http://www.irs.gov)
- Via phone by calling 1-800-908-9946
- Via mail or fax by completing IRS Form 4506T-EZ

Internet and phone requests are easy and tax return transcripts will be mailed to the tax filer's address within 5-10 days. Submission of Form 4506T-EZ can authorize mailing of the transcript to a third party (such as the institution) but will take approximately 30 days.

- Other documentation may be requested by the institution to verify the accuracy of your application information including, but not limited to, marital settlement agreements, divorce decrees, W-2 forms, etc.

Students must provide the above information to the institution within 120 days of the student's last date of attendance, or before the respective award year funding processes close in accordance with dates published annually in the Federal Register, whichever is earlier. Failure to complete the verification requirements on a timely basis may result in forfeiture of any federal aid awarded during the award year.

Students will be notified by the institution if any discrepancies are discovered during the verification process. Students may be required to correct any erroneous information by using the ISIR correction process at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). The verification process is not considered to be completed during periods of corrective action. Corrections generally include a recalculation of the student's EFC, and electronic resubmission of applicant information through the FAFSA Central Processor.

If a student's award changes as a result of the verification process, the student will be counseled and informed of how the change affects his/her packaging and financial obligations to the institution.

In the event this verification process identifies that a student received an overpayment of federal aid, the student will be required to refund the overpayment promptly. The student will be ineligible for any future federal aid until any and all amounts owed are repaid. If the student fails to repay any refund due, or if the institution determines that the student may have engaged in fraud or misrepresentation regarding the federal aid process, the student will be referred to the U.S. Department of Education for further investigation and prosecution.

**Students will forfeit their right to federal assistance for non-compliance with verification policies.**

# 2018-2019 Award Year Verification Procedures

The most significant change with the 2018-2019 verification procedures as opposed to those in effect for the 2017-2018 award year is the elimination of using signed copies of U.S. Income Tax Returns as acceptable documentation for the verification of tax related ISIR data. For the 2018-2019 award year, the proper use of the IRS Data Retrieval Tool (IRS/DRT) or a copy of an IRS Tax Return Transcript are the only acceptable options for purposes of verifying tax related data fields.

Files that are selected for verification are placed in one of three different *Verification Tracking Groups (V1, V4, or V5)*. Based on which group the file is placed, verification procedures may be modified. The procedures listed below are to be followed when completing verification requirements for each group.

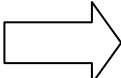

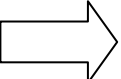

Upon receipt of the student's ISIR and any required verification documents from the student, the following data elements are reviewed against the applicant's ISIR for accuracy:

## Verification Tracking Group "V1"

The following data elements are required to be verified against the required documentation listed:

<b>ISIR Data Field</b>	<b>Acceptable Documentation</b>
<b>Tax Filers</b> <ul style="list-style-type: none"><li>• Adjusted Gross Income</li><li>• U.S. Income Tax Paid</li><li>• Untaxed Portions of IRA Distributions</li><li>• Untaxed Portions of Pensions</li><li>• IRA Deductions and Payments</li><li>• Tax Exempt Interest Income</li><li>• Education Credits</li></ul>	 <div style="border: 1px solid black; padding: 10px; text-align: center;"><b>Use of the IRS Data Retrieval Tool as evidenced by a "02" code on the 18-19 ISIR Or An official IRS Tax Return Transcript for the year 2016</b></div>

**ALERT:** An IRS Data Retrieval Tool response code of "07" indicates that the taxpayer filed an amended tax return for the year being verified. A copy of the amended IRS Form 1040X will be required

<ul style="list-style-type: none"><li>• Number of Family Members</li><li>• Number in College</li></ul>	 <div style="border: 1px solid black; padding: 10px; text-align: center;"><b>Completed and Signed "V1" Verification Worksheet</b></div>

## Verification Tracking Group "V4"

The following data elements are required to be verified against the required documentation listed:

<ul style="list-style-type: none"><li>• High School Completion Status</li><li>• Identity/Statement of Educational Purpose</li></ul>	 <div style="border: 1px solid black; padding: 10px; text-align: center;"><b>Completed and Signed "V4" Verification Worksheet</b></div>

### **Tax Filers**

### **Non-Tax Filers**

- Identity/Statement of Educational Purpose
- Income earned from work

## Reporting Verification Results to the USDE

The USDE requires that the results of the verification process be reported to it on any ISIRs selected for verification under tracking groups V4 and V5. Verification results do not have to be separately reported to the USDE for any other verification tracking group.

### **ISIRs Received Directly by the Institution**

If students' ISIRs are received through EDConnect Software directly by the institution, the institution will be responsible for reporting the results of V4 and V5 verifications to the USDE. A confirmation page, indicating the success of reporting the verification results is available at the time of such reporting and should be maintained in the student's file as evidence of your compliance with this requirement.

### **ISIRs Received Directly by GEMCOR on behalf of the Institution**

If students' ISIRs are received from the USDE directly by GEMCOR, the responsibility for reporting the results of the verification process to the USDE rests with the agency that performed the verification of information on the student's file.

- If GEMCOR completes the verification process on ISIR files selected for verification in either the V4 or V5 verification tracking group, GEMCOR shall report the results of that process to the USDE.
- If the institution uses its authority to complete the verification process on ISIR files selected for verification in either the V4 or V5 verification tracking group, the institution shall remain responsible for reporting the results of that process to the USDE.
